

Dear Washington-Lee Crew Community:

We would like to thank everyone for the outpouring of support and encouragement we received over the last week. A number of you have asked if the Boosters would be interested coming back to the table with PBC on the boathouse agreement. Short answer is: absolutely.

We believe that we had alignment on important issues such as fees, rower use of boathouse, and many operational improvements. Whether we move forward with new negotiating representatives, or otherwise reset the conversation, we would be grateful for another opportunity to work with the club on continuing the PBC / W-L relationship

In the meantime, we are very excited about the upcoming season. And no matter what happens in the end, we will always be grateful to have had the opportunity to row out of PBC for the last 70 years. It is a relationship of shared history that we cherish.

Sincerely,

Washington-Lee Crew Boosters Board
